Dear Shareholder,

You are cordially invited to attend the 2005 Annual General Meeting of Shareholders (the "Meeting") of ASA (Bermuda) Limited (the "Company"), which will be held on Thursday, March 3, 2005, at 10:00 A.M., Eastern Time, at the offices of UBS, 1285 Avenue of the Americas, 14th Floor, New York, NY, 10020.

The Meeting is the first Annual General Meeting of Shareholders since the reorganization on November 19, 2004 of ASA Limited ("ASA"), a South African public limited liability company and the predecessor company to the Company, into the Company, a Bermuda exempted limited liability company (the "Reorganization"). In connection with the Reorganization, shareholders of ASA received shares of the Company. Because the Company commenced operations on November 22, 2004 following the Reorganization, certain information in the accompanying materials relates to ASA as the predecessor company.

Among the matters to be acted on at the Meeting is a proposal to approve Amended and Restated Bye-Laws for the Company. Management believes that the Amended and Restated Bye-Laws would enhance the Company's corporate governance. Under the Amended and Restated Bye-Laws: (i) a minimum of thirty (30) days' advance notice would be provided to the Company's shareholders of any meeting of shareholders; (ii) one-third (1/3) of the outstanding voting securities of the Company would constitute a quorum for purposes of conducting a shareholder meeting; and (iii) at least a majority of the directors of the Company would be persons who are not "Interested Persons" of the Company, as defined by the Investment Company Act of 1940, as amended ("1940 Act"). These provisions are commensurate with customary by-law provisions of most U.S. closed-end investment companies, and will affect positively the rights of shareholders of the Company.

Further details of the business to be transacted at the meeting can be found in the accompanying Notice of Annual General Meeting and Proxy Statement. We invite you to attend the meeting in person. Your vote is important. Whether or not you are able to attend, it is important that your shares be represented at the Meeting. Accordingly, we ask that you please sign, date and return the enclosed proxy card at your earliest convenience. As an alternative to using the proxy card to vote, you may vote by telephone or through the Internet. Please follow the instructions on the enclosed proxy card.

On behalf of the Board of Directors and management of the Company, I extend our appreciation for your continued support.

Sincerely yours,

Robert J.A. Irwin
Chairman, President and Treasurer

PROXY STATEMENT

**ANNUAL GENERAL MEETING OF SHAREHOLDERS
March 3, 2005**

SOLICITATION AND REVOCATION OF PROXIES

The enclosed proxy card is solicited by the Board of Directors (the "Board") of ASA (Bermuda) Limited (the "Company") for use at the Annual General Meeting of the Company's shareholders (the "Meeting") to be held on March 3, 2005. The proxy may be revoked by a shareholder at any given time prior to its use at the Meeting by an instrument in writing delivered to the Secretary, c/o ASA (Bermuda) Limited, 11 Summer Street, 4th Floor, Buffalo, NY 14209 or delivered to him at the Meeting.

The Meeting is the first Annual General Meeting of Shareholders since the reorganization on November 19, 2004 of ASA Limited ("ASA"), a South African public limited liability company and the predecessor company to the Company, into the Company, a Bermuda exempted limited liability company (the "Reorganization"). In connection with the Reorganization, shareholders of ASA received shares of the Company. Because the Company commenced operations on November 22, 2004 following the Reorganization, certain information in this proxy statement relates to ASA as the predecessor company.

The expense of preparing, assembling, printing and mailing the proxy card and the material used for the solicitation of proxies will be paid by the Company. In addition to the solicitation of proxies by use of the mails, the Company will retain D.F. King & Co., Inc., New York, N.Y. to aid in the solicitation of proxies. Such solicitation will be by mail and telephone. For these services the Company will pay D.F. King & Co., Inc. a fee of approximately \$15,000, plus reimbursement of its out-of-pocket expenses. The Company will also reimburse brokers, nominees and fiduciaries that are record owners of shares of the Company for the out-of-pocket and clerical expenses of transmitting copies of the proxy material to the beneficial owners of such shares. The approximate mailing date of this proxy statement and the proxy card will be January 28, 2005.

VOTING AT THE MEETING

Only shareholders of record at the close of business on January 25, 2005 (the "Record Date") will be entitled to vote. There are 9,600,000 shares of the Company outstanding, each of which entitles the holder to one vote. Each valid proxy received at or before the Meeting will be voted at the Meeting in accordance with the instructions on the proxy card. If no instructions are indicated, the proxies will vote in favor of the proposals. Shareholders have three options for submitting their votes: (1) via the Internet, (2) by phone or (3) by mail. If you have Internet access, **we encourage you to record your vote on the Internet.** When you vote via the Internet or by phone, your vote is recorded immediately and there is no risk that postal delays will cause your vote to arrive late and therefore not be counted.

The Company does not know of any beneficial owner of more than five percent of the Company's outstanding shares as of the Record Date.

The Annual Report of the Company for the fiscal year ended November 30, 2004, including financial statements, accompanies this proxy statement.

QUORUM AND REQUIRED VOTING

The Company's organizational documents require that at least one shareholder present in person or by proxy and entitled to vote shall constitute a quorum for purposes of conducting a shareholder meeting. If, within five minutes from the time scheduled for the Meeting, a quorum of shareholders is not present, the Meeting shall stand adjourned until such other day, time and place as the directors may by notice to the shareholders appoint. If a quorum is present but sufficient votes in favor of any of the items are not received, the Chairman of the Meeting or any shareholder who is present or represented and entitled to vote at the Meeting may propose one or more adjournments of the Meeting to permit further soliciting of proxies from the Company's shareholders or to allow for increased attendance at the Meeting. Any such adjournment will require the affirmative vote of the holders of a majority of the shares that are represented (in person or by proxy) at the Meeting. If the persons named in the enclosed proxy card are appointed as proxies, such proxies will vote in favor of any such adjournment if they determine that such adjournment and additional solicitation are reasonable and in the interest of the shareholders.

The election of directors, the appointment of independent auditors and authorization of the Audit Committee to set the auditors' remuneration, and the approval of the Amended and Restated Bye-Laws of the Company each requires the affirmative vote of a majority of votes cast at the Meeting, whether in person or by proxy. Votes withheld, abstentions and "broker non-votes" (i.e., shares held by brokers or nominees as to which (i) instructions have not been received from the beneficial owner or persons entitled to vote and (ii) the broker or nominee does not have discretionary voting power on a particular matter) will be counted for quorum purposes, but will have no effect on the vote.

In considering director candidates, the Committee may take into account a variety of factors, including whether the candidates (i) are of the highest character and integrity; (ii) have distinguished records in their primary careers; (iii) have substantial experience and breadth of knowledge which is of relevance to the Company, particularly relating to gold and other precious metals, finance, securities law, the workings of the securities markets, or investment management; (iv) have sufficient time available to devote to the affairs of the Company in order to fulfill their duties and responsibilities, including service on Board committees; (v) are committed to working collaboratively with other members of the Board in promoting the best long-term interests of shareholders; (vi) qualify as Independent Directors; and (vii) are free of any conflicts of interest that would interfere with the proper performance of their duties as directors. Identifying Nominees. The Committee considers candidates from any source deemed appropriate by the Committee, including: (a) the Company's current directors, (b) the Company's officers, and (c) the Company's shareholders. The Committee will not consider self-nominated candidates. The Committee may, but is not required to, retain a third party search firm to identify potential candidates.

Shareholders may send resumes of recommended persons to the Chairman-Nominating Committee of ASA (Bermuda) Limited, c/o LGN Associates, P.O. Box 269, Florham Park, NJ 07932. The shareholder recommendation must be received at the above address not less than 120 calendar days prior to the first anniversary of the date on which the Company's proxy statement for the prior year's annual meeting was released to shareholders. The shareholder recommendation must be accompanied by all information relating to such candidate that is required to be disclosed in solicitations of proxies for the election of directors. In addition, the shareholder recommendation must be accompanied by the written consent of the candidate to stand for election if nominated by the Board and to serve if elected by the shareholders. No nominee recommendation has been received from a shareholder within the past 120 days.

The Directors unanimously recommend that you vote FOR Proposal No. 1.

PROPOSAL 2: APPOINTMENT OF INDEPENDENT AUDITORS AND AUTHORIZATION OF THE AUDIT COMMITTEE OF THE BOARD TO SET THE AUDITORS' REMUNERATION

In accordance with Section 89 of the Companies Act, the Company's shareholders have the authority to appoint the Company's independent auditors and to authorize the Audit Committee of the Board to set the auditors' remuneration. The Audit Committee has nominated Ernst & Young LLP ("Ernst & Young") New York, New York to serve as the Company's independent public auditors to audit the accounts of the Company for the fiscal year ending November 30, 2005. The Board, including a majority of Independent Directors, has ratified their nomination and has directed the submission of their selection to shareholders for appointment.

Ernst & Young has no direct or indirect interest in the Company, except in its capacity as the Company's independent public auditors. Ernst & Young has informed the Company that it has no material direct or indirect financial interest in the Company and that investment in the Company by its personnel and their family members is prohibited where appropriate to maintaining the auditors' independence. The Company's Audit Committee reviewed the services provided by Ernst & Young and determined that Ernst & Young is independent of the Company.

A representative of Ernst & Young is expected to be present at the Meeting to respond to appropriate questions and will be given the opportunity to make a statement if he or she desires to do so.

Audit and Non-Audit Fees

Aggregate fees billed by Ernst & Young for professional services rendered to the Company and its predecessor, ASA, for the fiscal years ended November 30, 2004 and November 30, 2003 are set forth below.

	<u>Fiscal Year 2004</u>	<u>Fiscal Year 2003</u>
Audit Fees	\$ 100,000	\$ 97,000
Audit-Related Fees	28,750	-0-
Tax Fees	18,000	15,000
All Other Fees	<u>-0-</u>	<u>-0-</u>
 Total	 <u>\$146,750</u>	 <u>\$ 112,000</u>

Audit Fees include the aggregate fees billed for professional services rendered by the independent auditors for the audit of the Company's and ASA's annual and semi-annual financial statements and services rendered in connection with statutory or regulatory filings, including the annual and semi-annual reports.

Audit-Related Fees include the aggregate fees billed for assurance and related services by the independent auditors that are reasonably related to the performance of the audit or review of the financial statements. The figure for 2004 includes fees billed in connection with the review of documents filed with the Securities and Exchange Commission related to the Reorganization.

Tax Fees include the aggregate fees billed for professional services rendered by the independent auditors in connection with tax compliance, tax advice and tax planning, such as review of company tax calculations and ASA's South African tax returns, and updates on South African tax law changes.

All Other Fees include the aggregate non-audit fees not disclosed above that were billed for projects and services provided by the independent auditors.

The aggregate fees billed by Ernst & Young for non-audit services rendered to the Company for 2004 and 2003 were \$46,750 and \$15,000, respectively.

Policy on Audit Committee Pre-Approval of Audit and Non-Audit Services of Independent Auditors

The Audit Committee of the Company has the sole authority to pre-approve all audit and non-audit services to be provided by the independent auditors, subject to the *de minimis* exceptions for non-audit services described in Section 10A(i)(1)B of the Exchange Act which are approved by the Committee prior to the completion of the audit. The Audit Committee may delegate its pre-approval authority to a subcommittee. If the Committee has delegated its pre-approval authority to a subcommittee, any decision of the subcommittee shall be presented to the full Committee at its next scheduled meeting. Pre-approval of audit and non-audit services shall not be required if the engagement to render the services is entered into pursuant to pre-approved policies and procedures established by the Committee, provided the Committee is informed of each such service. The Committee has not yet established such policies and procedures.

Required Vote: The appointment of the Company's independent auditors and the authorization for the Audit Committee to set the auditors' remuneration requires the affirmative vote of a majority of the votes cast at the Meeting.

The Directors unanimously recommend that you vote FOR Proposal No. 2.

PROPOSAL 3: CONSIDERATION AND APPROVAL OF AMENDED AND RESTATED BYE-LAWS OF THE COMPANY

The Board and management of the Company are committed to good corporate governance practices. As an investment company registered with the United States Securities and Exchange Commission pursuant to the 1940 Act, the Company is subject to the corporate governance requirements thereunder. In addition, upon the listing of its shares on the New York Stock Exchange on November 22, 2004, the Company became subject to the corporate governance requirements for New York Stock Exchange listed closed-end investment companies. To further enhance corporate governance, the management of the Company seeks approval by the shareholders of the Amended and Restated Bye-Laws for the Company that would provide that:

- a minimum of thirty (30) days' advance notice will be provided to the Company's shareholders of any meeting of shareholders;
- one-third (1/3) of the outstanding voting securities of the Company will constitute a quorum for purposes of conducting a shareholder meeting; and
- at least a majority of the directors of the Company will be Independent Directors.

These provisions are commensurate with customary by-law provisions of most U.S. closed-end investment companies, and will affect positively the rights of shareholders of the Company. Currently, the Bye-Laws of the Company provide for five (5) days' advance notice of shareholder meetings. While this provision is adequate under Bermuda law, the Board believes that a thirty (30) day provision is in keeping with good corporate governance standards, to allow shareholders sufficient time to prepare for such meetings. In addition, currently the Bye-Laws of the Company require the presence of one (1) shareholder in person or by proxy to constitute a quorum at any meeting of shareholders, in accordance with Bermuda law. The Board believes that a quorum of one-third (1/3) of the outstanding voting securities entitled to vote at the meeting is closer to the corporate governance standards that most of the Company's U.S. shareholders are accustomed to. Finally, the Board believes that the Bye-Laws should be revised to include a provision requiring at least a majority of the Directors to be Independent Directors. This provision is customary for most U.S. investment companies, and while the Company's current Board fulfills this requirement already, the inclusion of such provision in the Bye-Laws will insure that the Board will continue to fulfill the independence obligation, as required under the 1940 Act. The Bye-Law provisions that would be changed in the Amended and Restated Bye-Laws are provided in Appendix C to this proxy statement.

Required Vote: The approval of the Amended and Restated Bye-Laws requires the affirmative vote of a majority of the votes cast at the Meeting.

The Directors unanimously recommend that you vote FOR Proposal No. 3.

PRESENTATION OF FINANCIAL STATEMENTS

In accordance with Section 84 of the Companies Act, the Company's audited financial statements for the fiscal year ended November 30, 2004 will be presented at the Meeting. These statements have been approved by the Company's Board. There is no requirement under Bermuda law that such statements be approved by the shareholders, and no such approval will be sought at this Meeting.

SHAREHOLDER PROPOSALS

In order for a shareholder proposal to be included in the proxy statement and proxy for the 2006 Annual General Meeting the proposal must be received no later than September 30, 2005.

Under Rule 14a-4 of the Exchange Act, a shareholder who wishes to present a proposal for consideration at the 2006 Annual General Meeting without inclusion of such proposal in the Company's Proxy Statement and Proxy must send notice of such proposal to the Company no later than December 14, 2005. If notice for such proposal is not received by December 14, 2005, management proxies may use their discretionary authority to vote on such proposal. Bermuda law provides that only shareholders holding not less than 5% of the total voting rights in the Company or 100 registered shareholders together may require a proposal to be submitted to an annual general meeting. Generally, notice of such a proposal must be deposited at the registered office of the Company no less than six weeks before the date of the meeting, unless the meeting is subsequently called for a date six weeks or less after the notice has been deposited.

OTHER MATTERS

The management of the Company knows of no other business that will be presented for consideration at the Meeting, but should any other matters requiring a vote of shareholders arise, the persons named in the enclosed proxy card will, if appointed as proxy, vote thereon in accordance with their best judgment.

APPENDIX A

ASA (Bermuda) Limited

Audit Committee Charter

A. Purpose

The Audit Committee of ASA (Bermuda) Limited (“Company”) has been created to:

1. assist the Board of Directors in its oversight and monitoring of:
 - a. the Company’s accounting and financial reporting policies and practices;
 - b. the Company’s internal control over financial reporting, and, as appropriate, the internal control over financial reporting of certain of the Company’s service providers;
 - c. the integrity, quality and objectivity of the Company’s financial statements and the independent audit thereof;
 - d. the Company’s independent auditors, including their qualifications, independence and performance;
 - e. the Company’s compliance with legal and regulatory requirements; and
2. prepare the report required by the rules of the Securities and Exchange Commission (“SEC”) to be included in the Company’s annual proxy statement.

Although the Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Committee to plan or conduct audits or to determine that the Company’s financial statements are complete and accurate and are in accordance with generally accepted accounting principles. In carrying out its responsibilities, the members of the Committee shall be entitled to rely, in good faith, on (1) the integrity of those persons and organizations inside and outside the Company from which the Committee receives information and (2) the accuracy of the financial and other information provided to the Committee by such persons or organizations.

The Committee’s function is oversight. Management is responsible for maintaining appropriate accounting and financial reporting principles and policies and internal controls and procedures designed to ensure compliance with accounting standards and applicable laws and regulations. The independent auditors are responsible for planning and carrying out a proper audit. The independent auditors shall report directly to the Committee and are ultimately accountable to the Board of Directors and the Committee.

B. Committee Membership

1. *Number.* The Committee shall be comprised of at least three members of the Board of Directors.
2. *Independence.* Each member of the Committee shall meet the independence requirements of the New York Stock Exchange (“NYSE”) and Section 10A(m)(3) of the Securities Exchange Act of 1934, as amended (“Exchange Act”), and the applicable rules thereunder. No member of the Committee shall be an “interested person” (as defined in Section 2(a)(19) of the Investment Company Act of 1940, as amended (“Investment Company Act”), and the rules thereunder) of the Company.
3. *Financial Literacy.* Each member of the Committee shall be financially literate, as such qualification is determined by the Board of Directors in its business judgment (or shall become financially literate within a reasonable period of time after his or her appointment). At least one member of the Committee shall have accounting or related financial management expertise, as such qualification is determined by the Board of Directors in its business judgment. The Board of Directors shall determine whether any members of the Committee are “audit committee financial experts” as defined by applicable SEC rules.
4. *Chairman.* Unless the Board of Directors appoints a Chair of the Committee, the Committee shall appoint a Chair.
5. *Compensation.* The compensation of Committee members shall be set by the Board of Directors. No member may accept, directly or indirectly, any consulting, advisory or other compensatory fee from the Company (other than fees for serving on the Board of Directors or any committee thereof). The receipt of a fixed amount of pension or other form of deferred compensation from the Company for prior service (provided such compensation is not contingent in any way on continued service) is not considered a compensatory fee. The requirement that such amount be fixed does not preclude customary objectively determined adjustment provisions such as cost of living adjustments.
6. *Selection and Removal.* Members of the Committee shall be appointed by the Board of Directors.

C. Meetings and Procedures

1. *Meetings.* The Committee shall meet as often as it determines is appropriate to carry out its responsibilities under this Charter, but not less

frequently than twice annually. Meetings may be called by the Chair of the Committee or by a majority of the Committee members. Meetings shall be chaired by the Chair of the Committee or, in the Chair's absence, by a member chosen by the Committee. Meetings may be conducted with members present in person or by telephone or other communications facilities which permit all persons participating in the meeting to hear or communicate with each other simultaneously. The Chair of the Committee, in consultation with the other Committee members, shall set meeting agendas and the places and times of the meetings consistent with this Charter. A majority of the members of the Committee shall constitute a quorum for the transaction of business. When more than two members are present, the act of a majority of the members present at a meeting at which a quorum is present shall be the act of the Committee, and when only two members are present, the unanimous vote of the two members shall constitute the act of the Committee.

The Committee should be provided with meeting materials before Committee meetings with sufficient time to review and consider relevant issues and to request supplemental information as necessary. Management will endeavor to send such materials to the Committee at least five business days in advance of a meeting.

The Committee shall keep minutes of its meetings and provide copies of such minutes to the full Board for its review.

The Committee shall meet periodically with management and with the independent auditors in separate executive sessions.

The Committee may request any officer or employee of the Company or representatives of the Company's service providers, outside counsel or independent auditors to attend a meeting of the Committee or to meet with any members of, or consultants to, the Committee.

2. *Subcommittees.* The Committee may delegate its authority to one or more subcommittees (including a subcommittee comprised of a single member) when it deems appropriate.
3. *Independent Advisers.* The Committee shall have the authority, to the extent it deems necessary or appropriate and without seeking approval of the full Board, to retain special legal, accounting or other advisers.
4. *Funding.* The Company shall provide appropriate funding, as determined by the Committee, for payment of compensation to the independent auditor for the purpose of rendering or issuing an audit report or rendering other audit, review or attest services and to any advisers retained by the Committee and for payment of ordinary administrative expenses of the Committee that are necessary or appropriate in carrying out its duties.

D. Authority and Responsibilities

In addition to any other duties and responsibilities which may be assigned from time to time by the Board, the Committee shall be responsible for the following matters:

Oversight of Independent Auditors

1. *Selection and Termination.* The Committee shall be directly responsible for selecting, compensating, overseeing, evaluating and, when appropriate, terminating the Company's independent auditors (subject to the applicable requirements of the Investment Company Act and the rules and orders thereunder, including those pertaining to approval by disinterested directors and ratification by shareholders).
2. *Independence.* The Committee shall review and evaluate the independent auditors' independence. The Committee shall discuss with the independent auditors any disclosed relationships or services that might impact the objectivity and independence of the auditors. The Committee shall consider whether:
 - a. the independent auditors should be rotated, and
 - b. the lead audit or reviewing partner should be rotated more frequently than is required by law and applicable SEC rules.
3. *Qualifications.* The Committee shall review and evaluate the independent auditors' qualifications, including considering whether the independent auditors' quality controls are adequate. In connection with this review and evaluation, the Committee shall at least annually obtain and review a report by the independent auditors describing:

 - b. any material issues raised by (1) the most recent internal quality – control review, or peer review, of the firm, or (2) any inquiry or investigation by governmental or professional authorities within the preceding five years regarding one or more independent audits carried out by the firm, and any steps taken to deal with any such issues.

The Committee shall review and evaluate the lead partner of the independent auditor team.

4. *Pre-approval of Audit and Non-audit Services.* Except as provided in the next sentence, the Committee shall have the sole authority to pre-approve all audit and non-audit services to be provided by the independent auditors, subject to the de minimis exceptions for non-audit services described in Section 10A(i)(1)B of the Exchange Act which are approved by the Committee prior to the completion of the audit. If

the Committee has delegated its pre-approval authority to a subcommittee, any decision of the subcommittee shall be presented to the full Committee at its next scheduled meeting. Pre-approval of audit and non-audit services shall not be required if the engagement to render the services is entered into pursuant to pre-approved policies and procedures established by the Committee, provided the Committee is informed of each such service.

5. *Compensation.* The Committee shall approve all audit and non-audit fees of the independent auditor.
6. *Hiring of Employees of Independent Auditors.* The Committee shall set clear policies for the Company's hiring of current or former employees of the independent auditors who participated in any capacity in the audit of the company.

In connection with its oversight role, the Committee shall:
 - a. review and discuss with the independent auditors the planning, scope and staffing of the independent auditors' audits; and
 - b. obtain assurance from the independent auditors that Section 10A of the Exchange Act has not been implicated.

Financial Statement and Disclosure Matters

8. *Review and Discussion of Audited Financial Statements.* The Committee shall review the Company's financial statements to be sent to shareholders and filed with the SEC. In connection with the review of the annual audited financial statements, and otherwise as appropriate, the Committee shall:
 - a. Discuss with management and the independent auditors:
 - significant issues regarding accounting principles and financial statement presentations, including any significant changes in the Company's selection or application of accounting principles;

32. An Annual General Meeting shall be called by not less than thirty (30) days notice in writing and a Special General Meeting shall be called by not less than thirty (30) days notice in writing. The notice shall be exclusive of the day on which it is served or deemed to be served and of the day for which it is given, and shall specify the place, day and time of the meeting, and, the nature of the business to be considered. Notice of every general meeting shall be given in any manner permitted by Bye-Laws 99 and 100 to all Shareholders other than such as, under the provisions of these Bye-Laws or the terms of issue of the shares they hold, are not entitled to receive such notice from the Company and every Director and to any Resident Representative who or which has delivered a written notice upon the Registered Office requiring that such notice be sent to him or it.

Notwithstanding that a meeting of the Company is called by shorter notice than that specified in this Bye-Law, it shall be deemed to have been duly called if it is so agreed:

- 32.1 in the case of a meeting called as an Annual General Meeting, by all the Shareholders entitled to attend and vote thereat; or
- 32.2 in the case of any other meeting, by a majority in number of the Shareholders having the right to attend and vote at the meeting, being a majority together holding not less than ninety-five (95) percent in nominal value of the shares giving that right.

Save as otherwise provided by these Bye-Laws, one-third of the outstanding Shareholders present in person or by proxy and entitled to vote shall be a quorum for all purposes.

4. Revised Bye-Law 58
