1. To elect the Company's Board of Directors.
2. To ratify the selection of Ernst & Young LLP and Ernst & Young, Johannesburg, South Africa as the Company's independent public accountants for the fiscal year ending November 30, 2004.
3. To receive and consider the Annual Report of the Company for the fiscal year ended November 30, 2003, including financial statements.
4. Such other business as may properly come before the Meeting or any adjournment thereof.

The Board of Directors has fixed the close of business on January 30, 2004 as the record date for the determination of the shareholders of the Company entitled to notice of, and to vote at, the Meeting and any adjournments thereof.

ROBERT J.A. IRWIN
Chairman of the Board and Treasurer

December 30, 2003

Each shareholder entitled to attend and vote at the Meeting is entitled to appoint one or more proxies, who need not be shareholders, to attend the Meeting and to vote and speak on his or her behalf. **It is important that your shares be represented at the Meeting in person or by proxy; whether or not you expect to attend the Meeting, please date, sign and indicate voting instructions on the accompanying proxy form and mail it promptly in the enclosed addressed envelope.** Any shareholder who submits a completed proxy form is entitled to attend the Meeting and to vote in person, should that shareholder decide to do so.

Proxy Statement

Solicitation and Revocation of Proxies

The enclosed proxy form is solicited by the Board of Directors of ASA Limited (the Company) for use at the Annual General Meeting of the Company's shareholders (the Meeting) to be held on February 6, 2004. The proxy form may be revoked by the shareholder at any given time prior to its use at the Meeting by an instrument in writing delivered to the United States Secretary, c/o LGN Associates, P.O. Box 269, 140 Columbia Turnpike, Florham Park, N.J. 07932 or delivered to him at the Meeting.

The expense of preparing, assembling, printing and mailing the form of proxy and the material used for the solicitation of proxies will be paid by the Company. In addition to the solicitation of proxies by use of the mails, the Company will retain D.F. King & Co., Inc., New York, N.Y. to aid in the solicitation of proxies. Such solicitation will be by mail and telephone. For these services the Company will pay D.F. King & Co., Inc. a fee of \$13,000, plus reimbursement of its out-of-pocket expenses. The Company will also reimburse brokers, nominees and fiduciaries who are record owners of shares of the Company for the out-of-pocket and clerical expenses of transmitting copies of the proxy material to the beneficial owners of such shares. The approximate mailing date of the proxy statement and form of the proxy will be December 30, 2003.

Voting at the Meeting

Only shareholders of record at the close of business on January 30, 2004 will be entitled to vote except that a person who at least 48 hours before the Meeting satisfies the directors that he has the right to transfer shares into his name in consequence of the death or bankruptcy of any shareholder of record shall be entitled to vote such shares. Proof of any such right should be presented to the United States Secretary, c/o LGN Associates, P.O. Box 269, 140 Columbia Turnpike, Florham Park, N.J. 07932. There are 9,600,000 shares of the Company outstanding, each of which is entitled to one vote. Each valid proxy received in time will be voted at the Meeting in accordance with the instructions on the proxy form. If no instructions are indicated and the shareholder does not appoint his own proxy, the proxies appointed by the Company's Board of Directors and named in the enclosed proxy form will vote in favor of each proposal. If no instructions are indicated, and the shareholder appoints his own proxy, the proxy may vote as he/she thinks fit.

The Company does not know of any beneficial owner of more than five percent of the Company's outstanding shares.

The Annual Report of the Company for the fiscal year ended November 30, 2003, including financial statements, accompanies this proxy statement and will also be mailed to each person who becomes a registered shareholder of the Company on or before January 30, 2004.

Quorum and Required Voting

The South African Companies Act No. 61 of 1973 (the Companies Act) and the Company's organizational documents require that three shareholders entitled to vote at the Meeting be present personally or if the shareholder is a body corporate, represented, to constitute a quorum. Thus the Meeting cannot take place on its scheduled date if three such shareholders are not present personally or represented, as the case may be. If, within half an hour from the time scheduled for the Meeting, a quorum of shareholders is not present, the Meeting shall stand adjourned to the same day the next week at the same time and place, or to such other day, time and place as the directors may by notice to the shareholders appoint. If a quorum is present but sufficient votes in favor of any of the items are not received the Chairman of the Meeting or any shareholder who is present or represented and entitled to vote at the Meeting may propose one or more adjournments of the Meeting to permit further soliciting of proxies from the Company's shareholders. Any such adjournment will require the affirmative vote of the holders of a majority of the shares that are represented (in person or by proxy) at the Meeting to be adjourned. If the persons named in the enclosed proxy form are appointed as proxies, such proxies will vote in favor of any such adjournment if they determine that such adjournment and additional solicitation are reasonable and in the interest of the shareholders.

The election of directors and the ratification of the selection of independent public accountants each requires the affirmative vote of a majority of the shares represented at the Meeting, whether in person or by proxy. Therefore, abstentions will have the effect of votes against those proposals. "Broker non-votes" (i.e., shares held by brokers or nominees as to which (i) instructions have not been received from the beneficial owner or persons entitled to vote and (ii) the broker or nominee does not have discretionary voting power on a particular matter) are not expected to occur at the meeting because the proposals are considered routine matters, therefore, brokers and nominees have discretionary voting power on these matters.

Proposal 1: Election of Directors

Unless contrary instructions are given, if the persons named in the enclosed proxy form are appointed as a proxy, such persons will vote such proxy form for the election of the nominees listed below to serve as directors of the Company until the next Annual General Meeting of Shareholders. The following is a list of each nominee, their age, address, principal occupations and present positions, including any affiliations with the Company, the length of service to the Company and any other directorships held.

The Board of Directors has an Audit Committee, a Compensation Committee, an Ethics Committee and a Nominating Committee.

The Audit Committee consists of Messrs. MacNaught (Chairman), Pilkington and Rosholt, each of whom is independent as defined in the New York Stock Exchange's listing standards. The Audit Committee acts pursuant to a written charter which is attached as Exhibit A. The responsibilities of the Audit Committee include overseeing (i) the Company's accounting and financial reporting policies and practices, (ii) the Company's internal control over financial reporting and procedures and (iii) the integrity, quality and objectivity of the Company's financial statements and the audit thereof. The Audit Committee is directly responsible for the selection (subject to ratification by a majority of the independent directors and by the shareholders), compensation, oversight and, when appropriate, termination of the Company's independent auditors, subject to the approval of the shareholders. The Audit Committee met following the Company's fiscal year-end to review the audited financial statements of the Company. Attached as Exhibit B is the report of the Audit Committee regarding the audited financial statements.

The Compensation Committee consists of Messrs. Conger (Chairman), Inglis and Pilkington. The responsibilities of the Compensation Committee include reviewing and making recommendations to the Board of Directors regarding compensation to be provided to officers and directors.

The Ethics Committee consists of Messrs. Farrell (Chairman), Breck and Crocker. The Ethics Committee is responsible for enforcing compliance by directors, officers and certain other persons with the Company's Code of Ethics adopted in accordance with Rule 17j-1 under the Investment Company Act of 1940.

The Nominating Committee consists of Messrs. Pilkington (Chairman), Conger and Rosholt. The Nominating Committee is responsible for nominating individuals to serve as Directors of the Board and recommending Directors to serve on Committees of the Board.

Information Regarding the Company's Process for Nominating Director Candidates

Nominating Committee Charter. The Nominating Committee does not currently have a written charter. The Board has asked that a written charter be prepared for the Committee.

Shareholder Communications. The Nominating Committee will consider nominees recommended by shareholders; shareholders may send resumes of recommended persons to the Chairman-Nominating Committee of ASA Limited c/o LGN Associates, P.O. Box 269, Florham Park, NJ 07932. No nominee recommendation has been received from a shareholder within the past 120 days.

Nominee Qualifications. While there is no formal list of qualifications, the Nominating Committee considers, among other things, whether prospective nominees have distinguished records in their primary careers, unimpeachable integrity, and substantive knowledge in areas important to the Board's operations, such as a background in gold and other precious metals, finance, securities law, the workings of the securities markets, or investment advice. The Committee also considers whether the prospective candidates' workloads would allow them to attend the vast majority of Board meetings, be available for service on Board committees, and devote the additional time and effort necessary to keep up with Board matters and the rapidly changing regulatory environment in which the Company operates. Different substantive areas may assume greater or lesser significance at particular times, in light of the Board's present composition and the Committee's (or the Board's) perceptions about future issues and needs.

Identifying Nominees. The Nominating Committee considers prospective candidates from any reasonable source. The Committee initially evaluates prospective candidates on the basis of their resumes, considered in light of the criteria discussed above. Those prospective candidates that appear likely to be able to fill a significant need of the Board would be contacted by a Committee member by telephone to discuss the position; if there appeared to be sufficient interest, an in-person meeting with one or more Committee members would be arranged. If the Committee, based on the results of these contacts, believed it had identified a viable candidate, it would air the matter with the full group of independent Board members for input. Any request by management to meet with the prospective candidate would be given appropriate consideration.

Director Attendance at Meetings

Although the Company does not have a policy on director attendance at the Annual General Meetings of Shareholders, directors are encouraged to do so. Due to a late scheduling change by the Company, only 3 directors were able to attend the February 27, 2003 Annual General Meeting. The Annual General Meeting held on February 1, 2002 was attended by 9 of the 10 directors of the Company.

During the fiscal year ended November 30, 2003 there were seven meetings of the Board of Directors, four meetings of the Audit Committee, one meeting of the Compensation Committee and three meetings of the Ethics Committee. Each director attended 75% or more of meetings of the Board of Directors and the Committees on which he served. The Nominating Committee was established subsequent to the end of the fiscal year ended November 30, 2003.

Executive Officers

The current executive officers of the Company are Mr. Irwin, who has been Chairman of the Board since 1993 and Treasurer since 1999, Mr. McCarthy, who has been Managing Director since 1988 and South African Secretary since 2001 and Mr. Crocker who has been United States Secretary since 1999. Executive Officers are elected at the first Board of Directors' meeting after each annual meeting of shareholders to serve for the ensuing year.

ASA Educational Trust

The ASA Educational Trust (the Trust) was formed by a Deed of Trust between the Company and the Trust in 1988. The purpose of the Trust is to assist in the education and training of students in South Africa through the granting of scholarships, bursaries and/or stipends for use at institutions for secondary and tertiary education.

During the fiscal year ended November 30, 2003, the Company contributed \$117,300 to the Trust.

Each South African director receives the rand equivalent of \$20,000 as an annual fee for his services as a director and the rand equivalent of \$2,000 for each Board meeting that he attends. In addition, directors receive a fee of \$1,000 for each committee meeting that they attend. The Chairman of the Audit Committee receives a meeting fee of \$3,000. The Company pays to any retired director who served as a director for at least twelve years an annual retirement benefit equal to 75% of the annual directors' fee from time to time in effect. Under the terms of the agreement, the Company agreed to credit \$25,000 per year for five years, beginning December 1, 1993, to a Supplemental Pension Account with interest credited at an annual rate of 3.5%. The Board of Directors approved increases in the amount of the annual credit as follows: \$28,125 in May 1999; \$31,250 in February 2002 and \$45,000 in March 2003. As a result, the Company recorded an expense amount of \$41,562 for the year ended November 30, 2003. (2) All directors qualify to receive retirement benefits if they have served the Company for at least twelve years prior to retirement. The amount shown for each director is the total benefits which are or would be payable to such person assuming such director had served twelve years as of November 30, 2003.

Proposals 2a and b: Ratification of the Selection of Independent Public Accountants

The Audit Committee has selected Ernst & Young LLP and Ernst & Young, Johannesburg, South Africa as the Company's independent public accountants to audit the accounts of the Company for the fiscal year ending November 30, 2004. The Board of Directors, including a majority of independent directors, has ratified their selection and has directed the submission of their selection to shareholders for ratification. Ernst & Young LLP and Ernst & Young, Johannesburg, South Africa have no direct or indirect interest in the Company, except in their capacity as the Company's independent public accountants.

Ernst & Young LLP was selected as the Company's independent public accountant on July 25, 2002 to replace Arthur Andersen LLP. The Company's replacement of Arthur Andersen LLP and the selection of Ernst & Young LLP as its independent public accountant were recommended by the Company's Audit Committee and were approved by the Company's Board of Directors.

The report on the financial statements audited by Arthur Andersen for the year ended November 30, 2001 for the Company did not contain an adverse opinion or disclaimer of opinion, and was not qualified or modified as to uncertainty, audit scope or accounting principles. There were no disagreements between the Company and Arthur Andersen on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedures, which disagreements, if not resolved to the satisfaction of Arthur Andersen, would have caused it to make reference to the subject matter of the disagreements in connection with its reports on the financial statements of such years.

During the fiscal year ended November 30, 2003, fees billed or expected to be billed by Ernst & Young LLP or Ernst & Young, Johannesburg, South Africa for the audit of the Company's financial statements for such year total \$97,000 and \$15,000 for tax services in connection with tax planning and review. An additional \$25,000 in audit related fees is expected to be billed for services in connection with the review of documents filed with the SEC related to the relocation of the Company from South Africa to Bermuda. No fees were billed or are expected to be billed for financial information systems design and implementation or for any other fees.

The Company's Audit Committee reviewed the services provided by Ernst & Young LLP and Ernst & Young, Johannesburg, South Africa and determined that Ernst & Young LLP and Ernst & Young, Johannesburg, South Africa are each independent of the Company.

A representative of Ernst & Young LLP is expected to be present at the Meeting to respond to appropriate questions and will be given the opportunity to make a statement if he or she desires to do so. A representative of Ernst & Young, Johannesburg, South Africa will not be present at the meeting but will be available in the event any matter requires his or her attention.

Required Vote: The ratification of the selection of the Company's independent public accountants requires the affirmative vote of a majority of the shares represented at the meeting.

The Directors unanimously recommend that you vote FOR Proposals No. 2a and b.

Shareholder Proposals

In order for a shareholder proposal to be included in the Proxy Statement and Proxy for the 2005 Annual Meeting the proposal must be received no later than September 1, 2004.

In the case of a shareholder who wishes to present a proposal for consideration at the 2005 Annual Meeting without inclusion of such proposal in the Company's Proxy Statement and Proxy, unless notice of such proposal is received by the Company no later than November 15, 2004, management proxies would be allowed to use their discretionary authority to vote on such proposal.

Other Matters

The management of the Company knows of no other business which will be presented for consideration at the Meeting, but should any other matters requiring a vote of shareholders arise, the persons named in the enclosed proxy form will, if appointed as proxy, vote thereon in accordance with their best judgment.

The receipt of a fixed amount of pension or other form of deferred compensation from the Company for prior service (provided such compensation is not contingent in any way on continued service) is not considered a compensatory fee. The requirement that such amount be fixed does not preclude customary objectively determined adjustment provisions such as cost of living adjustments.

- b. any material issues raised by (1) the most recent internal quality - control review, or peer review, of the firm, or (2) any inquiry or investigation by governmental or professional authorities within the preceding five years regarding one or more independent audits carried out by the firm, and any steps taken to deal with any such issues.

The Committee shall review and evaluate the lead partner of the independent auditor team.
