January 26, 2011

Dear Shareholder,

You are cordially invited to attend the Annual General Meeting of Shareholders of ASA Limited to be held on March 10, 2011. At the meeting, you will be asked to consider the election of directors and the ratification and approval of the appointment of Ernst & Young LLP as the Company's independent auditors for the fiscal year ending November 30, 2011. You will also be asked to consider changing the name of the Company from ASA Limited to ASA Gold and Precious Metals Limited. The Board of Directors has considered each of these proposals and unanimously recommends that you vote FOR each proposal.

During the meeting, management will present the Company's audited financial statements for the fiscal year ended November 30, 2010. Further details of the business to be transacted at the meeting can be found in the accompanying Notice of Annual General Meeting of Shareholders and Proxy Statement. The Company invites you to attend the meeting in person. Your vote is important. Whether or not you are able to attend, it is important that your shares be represented at the meeting. Accordingly, the Company asks that you please sign, date and return the enclosed proxy card at your earliest convenience. As an alternative to using the proxy card to vote, you may submit your proxy by telephone or through the Internet. Please follow the instructions on the enclosed proxy card.

On behalf of the Board of Directors and management of the Company, I extend our appreciation for your continued support.

Sincerely yours,

## **QUESTIONS AND ANSWERS ABOUT THE PROPOSALS FOR THE ANNUAL GENERAL MEETING OF SHAREHOLDERS**

While the Company strongly encourages you to read the full text of the enclosed Proxy Statement, the Company is providing the following brief overview of the proposals in the accompanying Proxy Statement in “question and answer” format, to help you better understand and vote on these proposals. Your vote is important. Please vote.

### **Question: Why are you sending me this information?**

Answer: You are receiving these materials because on January 21, 2011 you owned shares of ASA Limited and, as a result, have a right to vote on proposals relating to the Company at the Annual General Meeting of Shareholders to be held on March 10, 2011.

### **Question: What proposals will be acted upon at the meeting?**

Answer: At the meeting, you will be asked: (1) to elect the Company’s Board of Directors; (2) to ratify and approve the appointment of Ernst & Young LLP, an independent registered public accounting firm, as the Company’s independent auditors for the fiscal year ending November 30, 2011, and to authorize the Audit and Ethics Committee of the Board of Directors to set the independent auditors’ remuneration; and (3) to approve changing the name of the Company from ASA Limited to ASA Gold and Precious Metals Limited.

### **Question: Why is the Company proposing to change its name?**

Answer: The Company’s current name, ASA Limited, does not describe the nature of the Company’s business and operations. The Company believes that many investors and other market participants are unaware that the Company invests in companies engaged in the exploration, mining or processing of gold and other precious metals and other gold and precious metals related investments. The Board believes that changing the name of the Company from ASA Limited to ASA Gold and Precious Metals Limited would make the nature of the Company’s business and operations more transparent to investors and other market participants and may generate additional interest in the Company and its shares.

### **Question: How does the Board recommend that I vote?**

Answer: After careful consideration, the Board recommends a vote FOR each proposal.

### **Question: How do I vote my shares?**

Answer: Please indicate your voting instructions on the enclosed proxy card, sign and date the card, and return the card by mail in the postage-paid envelope provided. As an alternative to voting the proxy card by mail, you may vote by telephone, through the Internet or in person. To vote by telephone, please call the toll-free number listed on the proxy card. To vote through the Internet, please access the website listed on the proxy card. Please note that to vote by telephone or through the Internet, you will need the unique “control” number that appears on the enclosed proxy card. If you will attend the meeting and vote in person, please let us know by calling 1-800-432-3378. You will be required to provide valid identification in order to gain admission.

If you hold your shares in “street name” through a broker, bank or other nominee, you should contact your nominee with your instructions for attendance or voting at the meeting. If you hold your shares in street name and you wish to vote in person at the meeting, you must request your nominee to provide you with a legal proxy in order to vote your shares at the meeting.

### **Question: When should I return my proxy?**

Answer: The Company would like to receive your completed, signed and dated proxy as soon as possible. You may also submit your proxy by telephone or through the Internet. Because your vote is important to us, you may receive a call from the Company or The Altman Group, the Company’s proxy solicitor, reminding you to vote.

### **Question: What if I have other questions?**

Answer: If you have any questions about any proposal or need assistance voting your shares, please call The Altman Group, the Company’s proxy solicitor, toll free at 1-877-896-3195.

Each valid proxy received at or before the Meeting will be voted at the Meeting in accordance with the instructions on the proxy card. **If a shareholder has signed a proxy card but no instructions are indicated, the named proxies will vote FOR each of the following proposals: (1) to elect as directors each of the nominees listed on the proxy card; (2) to ratify and approve the appointment of Ernst & Young LLP, an independent registered public accounting firm, as the Company’s independent auditors for the fiscal year ending November 30, 2011, and to authorize the Audit and Ethics Committee of the Board of Directors to set the independent auditors’ remuneration; (3) to change the name of the Company from ASA Limited to ASA Gold and Precious Metals Limited; and (4) in their discretion, upon such other matters as may properly come before the Meeting.**

Please consult the materials you receive from your nominee prior to returning your proxy by telephone or through the Internet. WS Management, LLLP 4306 Pablo Oaks Court Jacksonville, FL 32224.....	1,103,900 <sup>(3)</sup>	5.7%

<sup>(1)</sup> The number of shares shown is based solely on the Form 13F filed by Lazard Asset Management LLC on November 8, 2010, reflecting information as of September 30, 2010, according to which Lazard Asset Management LLC has sole voting and investment power over those shares.

If, within five minutes from the time scheduled for the Meeting, a quorum of shareholders is not present, the Meeting shall stand adjourned until such other day, time and place as the chairman of the Meeting may determine.

Assuming that a quorum is present at the Meeting, approval of each Proposal to be acted upon at the Meeting requires the affirmative vote of a majority of the votes cast at the Meeting, whether in person or by proxy. Abstentions and “broker non-votes” (*i.e.*, shares held by brokers, banks or other nominees as to which (i) instructions have not been received from the beneficial owner or persons entitled to vote and (ii) the broker, bank or nominee does not have discretionary voting power on a particular matter) will be counted for purposes of determining whether a quorum is present, but will be disregarded in determining the “votes cast” on a proposal. Therefore, abstentions and “broker non-votes” will have no effect on the vote.

### **Litigation Involving Directors**

On October 17, 2009, the Massachusetts Secretary of State issued an “obey the law” cease and desist order (“Order”) against Mr. Goldstein and certain affiliated parties, and fined the parties \$25,000, in connection with a violation of Massachusetts law due to the parties making information about certain unregistered investments available on a website and by sending an e-mail containing material about such investments to an individual who requested it. The parties filed an appeal of the Order in the Massachusetts Superior Court which was upheld, and the parties further appealed the Order. The Massachusetts Supreme Judicial Court upheld the Order on July 2, 2010, but held that the parties’ claim that the Order violated their First Amendment rights must be decided as part of the parties’ appeal of a separate lawsuit they filed against the Massachusetts Secretary of State. The Massachusetts Supreme Judicial Court transferred the appeal of the lawsuit to itself on July 23, 2010, and the case is pending. In that lawsuit, the parties stipulated that “the combination of the website and the direct email communication that was the basis of the Final Order did not concern the unlawful sale of unregistered securities, and they further agree[d] that the combination was not misleading.”

**Required Vote:** The election of directors requires the affirmative vote of a majority of the votes cast at the Meeting.

**The Board unanimously recommends that you vote FOR each nominee listed in proposal 1.**

## **BOARD OF DIRECTORS**

### **Leadership Structure and Qualifications of Board of Directors**

The Board has structured itself in a manner that it believes allows it to effectively perform its oversight function. The Board of Directors is currently composed of five members, four of whom are Independent Directors. The Board of Directors has elected an Independent Director to serve as Chairman. The Chairman (i) coordinates the activities of the Independent Directors and leads the directors at Board meetings; (ii) works with the Company's executive officers, including the Company's Chief Compliance Officer, the Company's legal counsel, and the chairmen of the Board's committees, as necessary, to determine the agenda for Board and Committee meetings; (iii) serves as the principal contact for and facilitates communication between the Independent Directors and the Company's management; and (iv) performs any other duties that the Board may delegate to the Chairman. The Chairman also presides at separate meetings of the Independent Directors where various matters, including those being considered at Board meetings, are discussed.

The Board meets in-person at regularly scheduled meetings four times throughout the year. In addition, the directors may meet in-person or by telephone at special meetings or on an informal basis at other times. As described below, the Board of Directors has established three standing committees: Compensation Committee, Audit and Ethics Committee, and Nominating Committee. The Board of Directors also serves as the Company's foreign custody manager in overseeing the custody of the Company's assets outside of the U.S.

The directors have determined that the Board's leadership structure, taking into account, among other things, its committee structure, which permits certain areas of responsibility to be allocated to the Independent Directors, and the role of its Chairman described above, are appropriate given the characteristics and circumstances of the Company. The Board believes that this structure enhances the Board's oversight of, and independence from, management, the ability of the Board to carry out its responsibilities on behalf of the shareholders, and the Company's overall corporate governance.

The Board of Directors has concluded that, based on each director's experience, qualifications, character, integrity, attributes or skills on an individual basis and in combination with those of the other directors, each director should serve as a director. Among other attributes common to all directors is their ability to review critically, evaluate, question and discuss information provided to them, to interact effectively with the other directors and management of the Company, and to exercise reasonable business judgment in the performance of their duties as directors. In addition, the Board of Directors has taken into account the actual service and commitment of the directors during their tenure in concluding that each should continue to serve. A director's ability to perform his duties effectively may have been attained through business, consulting, public service or academic positions; a director's educational background or professional training; experience from service as a director of the Company, public companies, or non-profit entities or other organizations; or other experiences. In addition to these shared characteristics, set forth below is a brief discussion of the specific experience, qualifications, attributes or skills of each director that support the conclusion that each person should serve as a director.

Mr. Christensen was selected to be a director of the Company given his experience in the gold and precious metals and financial services industries. Prior to joining the Company as an officer in 2007, Mr. Christensen was Vice President, Corporate Development at Gabriel Resources Ltd., a consultant to the mining industry, a Director of Fundamental Equity Research for Credit Suisse First Boston; Global Coordinator of Mining Research at Merrill Lynch, Portfolio Manager of Franklin Gold Fund and Precious Metals Fund for Franklin Templeton Group. He is also presently a director of Hecla Mining Company and the Denver Gold Group.

Mr. Goldstein was selected to be a director of the Company given his experience in the investment management industry and, in particular, closed-end funds. Mr. Goldstein is an investment adviser and principal of the general partner of six private investment partnerships in the Bulldog Investors group of funds. He is also a director of several closed-end funds.

Mr. Mead was selected to be a director of the Company given his experience in the financial services industry. Mr. Mead was Director—Global Equities with the Howard Hughes Medical Institute Investment Department from 2004-2008.

Mr. Pegge was selected to be a director of the Company given his experience in the financial services industry. Mr. Pegge is a director and Chief Executive Officer of Laxey Partners Limited, a global active value fund manager.

Mr. Pilkington was selected to be a director of the Company given his experience in the gold and precious metals and financial services industries. Mr. Pilkington is an investment banker and managing director of UBS Securities LLC and predecessor companies. He is also a director of Avocet Mining PLC, a gold mining company.

### **Risk Oversight**

The Board of Directors is responsible for oversight of the risks associated with the Company's operations including investment, compliance, operational and valuation risks. Risk oversight is addressed as part of various regular Board and Committee activities. Day-to-day risk management functions are the responsibilities of the Company's management and other service providers (depending on the nature of the risk), which carry out the Company's investment management and business affairs. Management and other service providers employ a variety of processes, procedures and controls to identify various events or circumstances that give rise to risks, to lessen the probability of their occurrence and/or to mitigate the effects of such events or circumstances if they do occur. Each service provider has its own independent interest in risk management, and its policies and methods of risk management will depend on its functions and business models. It is not possible to identify all of the risks that may affect the Company or to develop processes and controls to eliminate or mitigate their occurrence or effects. The Board of Directors, directly or through its committees, interacts with and reviews reports from, among others, the Company's Chief Executive Officer, Chief Financial Officer and Chief Compliance Officer, the Company's independent registered public accounting firm, other service providers and Company counsel, as appropriate, regarding risk management and compliance matters.

### **INFORMATION REGARDING THE COMPANY'S PROCESS FOR NOMINATING DIRECTOR CANDIDATES**

The Nominating Committee will recommend to the Board candidates for new or vacant Board positions based on its evaluation of which potential candidates are most qualified to serve and protect the interests of the Company's shareholders and to promote the effective operations of the Board. In considering director candidates, the Nominating Committee may take into account a variety of factors, including whether the candidates: (i) are of the highest character and integrity; (ii) have distinguished records in their primary careers; (iii) have substantial experience and breadth of knowledge which is of relevance to the Company, particularly relating to gold and other precious minerals, finance, securities law, the workings of the securities markets, or investment management; (iv) have sufficient time available to devote to the affairs of the Company in order to fulfill their duties and responsibilities, including service on Board committees; (v) are committed to working collaboratively with other members of the Board in promoting the best long-term interests of shareholders; (vi) qualify as Independent Directors; and (vii) are free of any conflicts of interest that would interfere with the proper performance of their duties as directors. The Nominating Committee has not adopted any specific policy on the issue of diversity, but will take into account in its consideration of new candidates to the Board, whether a candidate's background, experience and skills will contribute to the diversity of the Board. Different substantive areas may assume greater or lesser significance at particular times, in light of the Board's present composition and the Nominating Committee's (or the Board's) perceptions about future issues and needs.

The Committee considers candidates from any source deemed appropriate by the Committee, including: (a) the Company's current directors; (b) the Company's officers; and (c) the Company's shareholders. The Committee will not consider self-nominated candidates. The Committee may, but is not required to, retain a third party search firm to identify potential candidates.

The Nominating Committee will consider nominees recommended by shareholders on the basis of the same criteria used to consider and evaluate candidates recommended by other sources. Shareholders may send resumes of recommended persons to the Chairman—Nominating Committee of ASA Limited, c/o ASA Limited, 400 South El Camino Real, Suite 710, San Mateo, California 94402. The shareholder recommendation must be received at the above address no later than October 1, 2011. Each director attended over 80% of the meetings of the Board and the committees on which he served.

Such communications must be signed by the shareholder and identify the number of shares held by the shareholder. Properly submitted shareholder communications will, as appropriate, be forwarded to the entire Board or to the individual director. Any shareholder proposal submitted pursuant to Rule 14a-8 under the Exchange Act must also meet all the requirements of Rule 14a-8. See "Shareholder Proposals" below.

## **COMPLIANCE WITH SECTION 16(a) OF THE EXCHANGE ACT**

Section 16(a) of the Exchange Act and Section 30(h) of the 1940 Act require the Company's directors, officers and persons who beneficially own more than 10% of the Company's Common Shares to file reports of ownership of the Company's shares and changes in such ownership on Forms 3, 4, and 5 with the Commission. Such persons are required by Commission regulations to furnish the Company with copies of all such filings. Based solely upon a review of the copies of such forms furnished, the Company does not know of any director, officer or person who beneficially owns more than 10% of the Company's shares who, during the Company's last fiscal year, failed to file on a timely basis the required reports.

## **PROPOSAL 2**

### **RATIFICATION AND APPROVAL OF THE APPOINTMENT OF THE INDEPENDENT AUDITORS AND AUTHORIZATION OF THE AUDIT AND ETHICS COMMITTEE OF THE BOARD TO SET THE AUDITORS' REMUNERATION**

In accordance with Section 89 of the Companies Act 1981 of Bermuda, the Company's shareholders have the authority to appoint the Company's independent auditors and to authorize the Audit and Ethics Committee of the Board of Directors to set the auditors' remuneration. The Audit and Ethics Committee has nominated Ernst & Young LLP ("Ernst & Young"), New York, NY, an independent registered public accounting firm, to serve as the Company's independent auditors to audit the accounts of the Company for the fiscal year ending November 30, 2011. The Board, including a majority of Independent Directors, has ratified their nomination and has directed that their selection be submitted to the Company's shareholders for ratification and approval of appointment.

In the opinion of the Audit and Ethics Committee, the services provided by Ernst & Young are compatible with maintaining the independence of the Company's independent registered public accounting firm. Ernst & Young has informed the Company that, in its professional judgment, it is not aware of any relationships between Ernst & Young and the Company that may reasonably be thought to bear on its independence.

A representative of Ernst & Young is expected to be present at the Meeting to respond to appropriate questions and will be given the opportunity to make a statement if he or she desires to do so.

**Audit and Non-Audit Fees**

Aggregate fees billed by Ernst & Young for professional services rendered to the Company for the fiscal years ended November 30, 2010 and November 30, 2009 are set forth below.

	<u>Fiscal Year 2010</u>	<u>Fiscal Year 2009</u>

Audit-Related Fees.....	0	0
Tax Fees.....	6,000	5,775
All Other Fees .....	<u>0</u>	<u>0</u>
Total.....	<u>\$105,000</u>	<u>\$104,775</u>

*Audit Fees* include the aggregate fees billed for professional services rendered by the independent auditors for the audit of the Company’s annual financial statements and review of the semi-annual financial statements and services rendered in connection with statutory or regulatory filings, including the annual and semi-annual reports.

*Audit-Related Fees* include the aggregate fees billed for assurance and related services by the independent auditors that are reasonably related to the performance of the audit or review of the financial statements.

*Tax Fees* include the aggregate fees billed for professional services rendered by the independent auditors in connection with tax compliance, tax advice and tax planning. The figures for 2010 and 2009 include fees billed for U.S. tax advisory services.

*All Other Fees* include the aggregate non-audit fees not disclosed above that were billed for projects and services provided by the independent auditors.

The aggregate fees billed by Ernst & Young for non-audit services rendered to the Company for the fiscal years ended November 30, 2010 and November 30, 2009 were \$6,000 and \$5,775, respectively.

**Policy on Audit and Ethics Committee Pre-Approval of Audit and Non-Audit Services of Independent Auditors**

The Audit and Ethics Committee of the Company has the sole authority to pre-approve all audit and non-audit services to be provided by the independent auditors, subject to the *de minimis* exceptions for non-audit services described in Section 10A(i)(1)(B) of the Exchange Act which are approved by the Committee prior to the completion of the audit. During the fiscal years ended November 30, 2010 and November 30, 2009, there were no services included in Audit-Related Fees, Tax Fees and All Other Fees that were approved by the Audit and Ethics Committee pursuant to the *de minimis* exception provided in paragraph (c)(7)(i)(C) of Rule 2-01 of Regulation S-X. Any individual project that does not exceed \$25,000 may be pre-approved by the chair of the Audit and Ethics Committee. Any such pre-approval by the chair of the Audit and Ethics Committee must be presented to the full Committee at its next scheduled meeting. Any proposed services exceeding that cost level require specific pre-approval by the Audit and Ethics Committee. Pre-approval of audit and non-audit services shall not be required if the engagement to render the services is entered into pursuant to pre-approved policies and procedures established by the Audit and Ethics Committee, provided the Committee is informed of each such service. The Audit and Ethics Committee has not established such policies and procedures.

**Required Vote:** The ratification and approval of the appointment of the Company’s independent auditors and the authorization for the Audit and Ethics Committee to set the auditors’ remuneration requires the affirmative vote of a majority of the votes cast at the Meeting.

**The Directors unanimously recommend that you vote FOR proposal 2.**

## **PROPOSAL 3**

### **TO APPROVE A PROPOSAL TO CHANGE THE NAME OF THE COMPANY FROM ASA LIMITED TO ASA GOLD AND PRECIOUS METALS LIMITED**

The Company's current name, ASA Limited, does not describe the nature of the Company's business and operations. The Company believes that many investors and other market participants are unaware that the Company invests in companies engaged in the exploration, mining or processing of gold and other precious metals and other gold and precious metals related investments. The Company surveyed the names of other companies in the gold and precious metals sector, and most include gold and/or precious metals in their names. The Board believes that changing the name of the Company from ASA Limited to ASA Gold and Precious Metals Limited would make the nature of the Company's business and operations more transparent to investors and other market participants and generate additional interest in the Company and its shares. If the name change is approved, the Company expects that the name change will become effective within 30 days of shareholder approval. If the name change is approved, at least 80% of the Company's net assets, including borrowing used for investment purposes, will be invested in (1) companies engaged in the exploration, mining or processing of gold and other precious metals and (2) other gold and precious metals related investments. The name change will not result in any changes to the Company's current investment objective or policies.

**Required Vote:** Approval to change the name of the Company from ASA Limited to ASA Gold and Precious Metals Limited requires the affirmative vote of a majority of the votes cast at the Meeting.

**The Directors unanimously recommend that you vote FOR proposal 3.**

### **PRESENTATION OF FINANCIAL STATEMENTS**

In accordance with Section 84 of the Companies Act 1981 of Bermuda, the Company's audited financial statements for the fiscal year ended November 30, 2010 will be presented at the Meeting. These statements have been approved by the Company's Board. There is no requirement under Bermuda law that such statements be approved by the shareholders, and no such approval will be sought at the Meeting.

### **ADDITIONAL INFORMATION**

The principal executive office of the Company is located at 400 South El Camino Real, Suite 710, San Mateo, California 94402. The Company is internally managed and does not engage an outside investment adviser.

### **SHAREHOLDER PROPOSALS**

In order for a shareholder proposal to be included in the Company's proxy statement and proxy card for the 2012 Annual General Meeting, the proposal must be received no later than October 1, 2011. The timely submission of a proposal does not guarantee its inclusion in the Company's proxy materials.

Under Rule 14a-4 of the Exchange Act, if a shareholder wishes to present a proposal for consideration at the 2012 Annual General Meeting without inclusion of such proposal in the Company's proxy statement and proxy card, the notice of such proposal must be received no later than December 15, 2011. If notice of such proposal is not received by December 15, 2011, management proxies may use their discretionary authority to vote on such proposal. Bermuda law provides that only registered shareholders holding not less than 5% of the total voting rights in the Company or 100 registered shareholders together may require a proposal to be submitted to an annual general meeting. Generally, notice of such a proposal must be deposited at the registered office of the Company (ASA Limited, Canon's Court, 22 Victoria Street, Hamilton HM 12,

Bermuda) no less than six weeks before the date of the meeting, unless the meeting is subsequently called for a date six weeks or less after the notice has been deposited.

#### **OTHER MATTERS**

The management of the Company knows of no other business that will be presented for consideration at the Meeting, but should any other matters requiring a vote of shareholders arise, the persons named as proxies will vote thereon in accordance with their best judgment.

## **APPENDIX A**

### **ASA LIMITED**

#### **AUDIT AND ETHICS COMMITTEE REPORT**

The Audit and Ethics Committee (“Committee”) of the Board of Directors of ASA Limited (the “Company”) was created to assist the Board of Directors in its oversight of matters relating to accounting and financial reporting, internal control over financial reporting, the integrity, quality and objectivity of the Company’s financial statements and the independent audit thereof, the Company’s independent auditors, and certain legal and regulatory compliance. Management is responsible for the preparation, presentation and integrity of the Company’s financial statements and for maintaining appropriate accounting and financial reporting principles and policies and internal controls and procedures designed to ensure compliance with accounting standards and applicable laws and regulations. The independent auditors are responsible for planning and carrying out a proper audit. The independent auditors report directly to the Committee and are ultimately accountable to the Board of Directors and the Committee. It is not the duty of the Committee to plan or conduct audits or to determine that the Company’s financial statements are complete and accurate and are in accordance with generally accepted accounting principles. In carrying out its responsibilities, the members of the Committee are entitled to rely, in good faith, on (1) the integrity of those persons and organizations inside and outside the Company from which the Committee receives information and (2) the accuracy of the financial and other information provided and representations made to the Committee by such persons or organizations.

The Committee has reviewed the Company’s audited financial statements for the fiscal year ended November 30, 2010. In conjunction with its review, the Committee has met with the management of the Company to discuss the audited financial statements. In addition, the Committee has discussed with Ernst & Young LLP, the independent auditors, the matters required pursuant to Statement on Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1, AU section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T, and has received the written disclosures and the letter from Ernst & Young LLP required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent auditors’ communications with the Committee concerning independence. The Committee has also discussed with Ernst & Young LLP the independence of Ernst & Young LLP.

Based upon this review and related discussions, and subject to the limitation on the role and responsibilities of the Committee set forth in the Audit and Ethics Committee Charter, the Committee recommended to the Company’s Board of Directors that the audited financial statements be included in the Company’s Annual Report for the fiscal year ended November 30, 2010.

This report has been approved by all of the members of the Committee (whose names are listed below), each of whom has been determined to be independent as defined in the New York Stock Exchange’s listing standards.
